

Primary Care Des

Peninsula Cancer Alliance

Sarah-Jane Davies, Alliance Manager

Support for Cancer Des

- 2 x Band 8a Cancer Support Managers for PCNs
- Funded for 1 year working with primary care teams in CCGs
- Advice, project management support, delivery enablers, webinars and other networking plus monitoring and evaluation.

Enhanced Support

Targeted Support to for 20% of PCNs = 9 PCNs
and practices with delivering Cancer DES

STP	PCN
Cornwall	North Kerrier East
Cornwall	Penwith
Cornwall	St Austell Healthcare
Cornwall	Truro
Devon	South Dartmoor and Totnes *
Devon	Pathfields(Plymouth)
Devon	Sound (Plymouth)
Devon	Torquay
Devon	Exeter City

*South Dartmoor and Totnes have replaced Waterside who withdrew from the project.

Enhanced PCN Support

- GP Clinical Leadership
24 sessions over 12 months per PCN
(equivalent to 2 sessions per month)
- Cancer Support Worker for 1 year
£20k per PCN
- Project Management Support
£15k per PCN

Criteria for choosing PCNs

- Ranking of PCNs against 3 metrics
 - Cancers diagnosed as an emergency
 - Cancers diagnosed following a 2ww referral
 - Screening uptake (each of breast, bowel and cervical screening providing 1/3 weighting)
 - *NB stage at diagnosis at PCN level not available*
- The nine PCNs with greatest challenges, using this ranking, selected for additional support

Achievements in Qu2

- Lead GPs identified with each PCN
- Individual meetings held with PCNs where requested to discuss overall DES programme and define local priorities
- CSW JD and functions developed and shared
- 5 x PCNs recruited CSW (remainder have recruitment in progress)
- Steering group established to drive programme forward.
- First of Monthly PCN forums held to share progress and peer review
- 5 GP education webinars booked between Nov and January (Skin, Breast, Lung, Colorectal, Gynae)
- Screening and Immunisation Team providing focussed sessions with PCNs to identify cohorts with low screening uptake / identify actions.

Actions for Qu3

- Sign off PCN plans and improvement/quality metrics and targets - based on finger tips dashboard (Oct 2021)
- Further develop linkages between secondary care cancer strategy / plans and PCN Cancer clinical leads
- CSW Regional Induction package to be delivered and PCN links established with Secondary Care
