

Frequently Asked Questions - Cancer focused Community Outreach Work

Q: What is the purpose of the Cancer focused Community Outreach?

A: The Cancer focused Community Outreach aims to support voluntary and community organisations in Devon, Cornwall and the Isles of Scilly to implement innovative engagement activities that increase education and prevention in our targeted cancer sites and increases the awareness and uptake of cancer screening. The funding is intended to address health inequalities in these communities and encourage innovative and targeted approaches to meet the need of our communities.

Q: What are the grant amounts available?

These bid submission forms are split into two funding streams:

A: Under £10,000

B: Over £10,000

Q: What is lowest/highest amount I can bid for ?

We understand that the scale of projects will vary so we are happy to accept bids from £1,000 up to £19,000.

Q: Who can apply for the funding?

A: The VCSE organisations from Devon, Cornwall and the Isles of Scilly that work with the following groups can apply for the funding:

- Gypsy Roma and Traveller communities.
- People who are experiencing homelessness.
- People with a Learning Disability, Neurodiversity, or Severe Mental Illness (SMI).
- Immunosuppressed and clinically at-risk individuals.
- Unpaid carers.
- Faith and belief groups.
- The LGBTQ+ community.
- Ethnically diverse communities
- Sex workers
- People with physical, sensory, and hidden disabilities

- Experiencing drug/alcohol dependence.
- Vulnerable Migrants and Refugees.
- People who are harder to reach in rural and coastal communities.

Q: How long does it take for decisions to be made?

A: Decisions are made within 14 working days.

Q: When can the activities under this fund start?

A: Activities under the grant must commence as soon as possible following the grant agreement.

Q: How can I apply for funding?

A: To apply for funding, please complete the online application form.

Q: What are the aims of the grant funding?

A: The aims of the grant funding are to:

Cancer Prevention:

We are looking for projects that will help change behaviours and encourage healthy lifestyles for the local community.

The project can focus on any cancer which falls under the following areas in the body:

- [Gynaecological](#)
- [Skin](#)
- [Bowel](#)
- [Lung](#)

And it must include messaging around the risks of developing these cancers and how people can make changes to reduce this risk.

We would like these projects to be able to engage with specific groups and communities to reduce barriers faced when they engage with healthcare. We want to empower people with knowledge and bring cancer into the conversation so that it loses its stigma.

We are looking for anything that can spread education, awareness and engagement. This is ultimately about trying to change behaviours so that people reduce their risks of developing cancer in the future. We want to raise awareness around these cancer types so that more people are of their bodies and pick up of changes/ risks earlier.

Cancer Screening Attendance:

Improve cancer screening knowledge, coverage among specific communities through activities such as screening workshops, outreach events.

Q: Can communities apply for more than one grant?

A: Yes, communities can apply for multiple grants, but they will be considered on their own merit. Please note that funding is limited and will be provided on a first-come, first-served basis.

Q. What is the deadline/end date for funding application?

The end date for all bids is December 2025.

Q: What is the duration of the program?

A: The program is running from August 2025 until April 2026.

As part of the bid submission - you will be asked to provide a cost breakdown for your project. The costs you provide will need to be directly linked to providing your initiative. Below are some examples of what costs we would/wouldn't fund as part of this programme.

Q: What costs we do fund

Example costs might include:

- Cost of awareness or drop in events,
- Cost of awareness training,
- Communication support materials,
- Cost of project related equipment e.g., stationery, printing
- Employee time related to the project.
- Travel expenses

Q: What costs we do not fund

We cannot fund:

- Capital cost/ cost of running your organisation e.g., rent, payroll, inventory cost or salaries.
- alcohol
- loans or interest payments
- religious activities not related to the project proposal.
- profit-making or fundraising activities
- VAT you can reclaim
- statutory activities
- items or activities for individual benefit

- costs that were already paid for before you were awarded funding by us.
